

John H. "Jack" Kriegl

May 21, 1946 - April 13, 2014

John H. "Jack" Kriegl, 67, of Florence, went to be with his Lord and Savior, Jesus Christ, on Sunday, April 13, 2014.

Jack was born May 21, 1946 in Chicago, IL, son of the late Carl and Florence (Hasse) Kriegl. He graduated from Florence High School in 1964 and was a lifelong resident of the area. Jack attended University of Wisconsin-Stevens Point for his undergraduate studies and went on to obtain his Masters in Administration from the University of Wisconsin-Superior. He married Simone M. Beauchamp on August 30, 1969 at Immaculate Conception Church in Iron Mountain. Jack was employed by the Florence School District where he spent 18 years as a teacher and 18 years as principal, retiring in 2004. He truly enjoyed his work as an educator, making lifelong friendships as well as having a positive impact on the lives of many students. Jack spent many years teaching children an appreciation for the environment through his ownership of "Friends of the Forest," at Lost Lake in Tipler, WI. Jack had a love for people, and enjoyed making people laugh. He was a wonderful storyteller and passionate motivational speaker. He was an active member of the Evangelical Covenant Church in Norway where he served in many capacities. Jack was an avid outdoorsman with a passion for trapping. He enjoyed hunting, fishing, snowmobiling, skiing and peeling popple. Jack was a talented taxidermist who enjoyed the thrills and smiles behind each hunt. He liked traveling to Alaska & Hawaii and taking deer, moose, and pheasant hunting

trips. Jack spent countless hours sharing his gift and love for the piano with his family. He enjoyed attending and helping coach many of his children and grandchildren's sporting events as well as each winter building the luge. He followed the Milwaukee Brewers and Green Bay Packers and was a big Brett Favre fan. Faith and family were the staples of Jack's life, and he loved spending time with his children and grandchildren.

Jack is survived by his wife, Simone; four children, Joseph J. (Laura) Kriegl of Kingsford, John C. (Nicole) Kriegl of Breitung Township, Aundrea (John) Coon of Fond Du Lac, WI and Jaclynn (Jason) Kreider of Florence; his step-mother, Doris Kriegl of Suring, WI; a brother, Jerry (Donna) Kriegl of Quinnesec; two sisters, Yvonne (David) Olsen of Homestead, and Sandy (Jay) Schabloski of Oshkosh; grandchildren, Jordyn, Brooke and Jack Kriegl, Jaelyn and Addisyn Kriegl, Isabelle, John, Alexaundrea and Analise Coon, and Madelynn, Mylee, Mckynzee and Mataya Kreider; a special exchange student, Ana Maria (Selim) Jarmillo-Bouri of France and her children Lucas & Mateo Bouri. He is further survived by a sister-in-law and brother-in-law Mary Jo and Michael Momont and their children Michael (Jamie), Christopher, and Elizabeth Momont; a very special Aunt Marie Cormier and her children, Jim (Madonna) Cormier and Joy (Jim) Clifford.

Visitation will be held on Saturday, April 19, 2014 from 12:00 noon until 4:00 pm at the Evangelical Covenant Church in Norway. A service celebrating Jack's life will follow at 4:00 pm at the church. Rev. James Danielson will officiate.

In lieu of flowers, a memorial will be established in his memory.

Condolences may be expressed to the family of Jack Kriegl online at www.ernashfuneralhomes.com

The family has entrusted the Erickson-Rochon & Nash Funeral Home of Iron Mountain with the arrangements.

“ I left Florence in 1981, so am just learning of his passing. To family and friends, I'm so sorry for your loss. Jack was my favorite high school teacher. His great enthusiasm for biology, physiology and nature was contagious. He shaped my passion and views on environmental protection (my career was as an environmentalist.) He made an incredibly positive impact on a great many young people. Rest in peace, Mr. Kriegl❤️

“ My family and I just adored Mr. Kriegl. My daughter, Chelsea, was asked by Jack to read at a Memorial Day service at the Commonwealth Cemetery. She was so honored. I enjoyed his speeches and his commitment to the children, families and education in Florence. He was a great man and he will be sorely missed. Simone and kids, our prayers are with you all. Be proud to know that your husband/father was a GREAT man and well loved by all who knew him.

“ *I just want to express how sorry I am for the tremendous loss you are feeling. I did not know Mr. Kriegl on a personal level, however I do remember his joyfulness and happiness about him. He ALWAYS smiled! (Joy in the Lord) I come to understand that at age 33... He was truly an inspiration to so so many people. Although Mr. Kriegl leaves a huge void, It is a joy knowing he went home to be with the Lord. The whole family is in my prayers.*

“ So sorry to hear about your loss. I only learned about it last night so am sorry I couldn't attend the services. I'm a Lake Anna Rd. neighbor who frequently walks past your house on the way to the Barrens. Often I would see Jack on the way in or out and stop to talk. He was always so cheerful and friendly, and in the produce season would share some tomatoes and cucumbers with me. I had also shared with him my long connection with Lake Anna starting in 1962. My in-laws were Irwin and Loretta Safstrom and we would spend our vacations with them for one or two weeks a summer. I recall you were renting the Jensen house next door and these were the days when we could water ski. Since the lake was small we kind of set up an informal schedule. We would ski in the early afternoon, then the Fiorazo's would follow us, and when we were eating supper we could look out the front window and watch Jack, whooping and hollering, enjoying himself immensely when it was "your turn." Also our daughter Barbara occasionally babysat for your kids when you lived at the Jensen's. (She plans to work up here this coming July and August, since she can do her job anywhere.) At least Jack gets to celebrate a real Easter, which we one day hope to experience.
Blessings and condolences,

“ Me Kriegl was a part of my life through almost every year I spent in school I seen him walking with his daughter on 9 th floor of st Vincent hospital and I regret not approaching him to say hello and a few kind words as I had no idea he would pass away a few days later:(he was an amazing person and teacher and principal myself and many others will never forget the positive influence he had on every one of us throughout our schooling years a community cries and deeply mourns the loss of such a wonderful person god bless his family.

“ Just finding out about this now. I'm so sorry. I would have come to his funeral. :(My deepest condolences to his Family. All of our teachers made an incredible impact, but Jack Kriegl was one of those rare educators who didn't stop at the classroom--rather he lived his Life in a way that others couldn't help but want to emulate. My deepest condolences, as well, to all who called him Friend. I did not have that privilege, but, he had, without a doubt, a profound Influence upon my own Life. His grace, and humor and vision for giving youth a strong foundation of gratitude for simple wonder at the Amazing World in Which We Walk.... Although he had many jokes, Jess Johnson shared one that Mr. Kriegl must have shared with many of us--a thread of laughter through the years. Words are failing me.... I can only hope to share with youth, in some small way, that Gift he gave to so many of us.

“ Bob and I are so sad to hear jack has left us. He worked with Bob in the summers at Klieman Pump & Well and Bob so appreciated his sense of humor and deep faith. He was active with our youngest son, Ean at Sparks and in children's church and Ean just loved him. Jack was always there to greet everyone at church with a quick hug or a hand on the shoulder, always uplifting, always with the Grace of God. We will sadly miss him. We know that to be absent from the body is to be present with the Lord and we rejoice for Jack, but are sad for all of his beautiful family and friends because he will be missed. God comfort your hearts as you mourn his loss.

“ *I can't think of my years at Florence High School without thinking of Mr. Kriegl's biology classes. His passion for teaching and inspiration to always try to be a better human being greatly influenced my life as well as countless other students I'm sure. My sincere condolences to Simone, Joe, John, Aundrea and Jaclynn. I'm sure you must know how much your husband and father impacted the lives of so many who had the pleasure to know him.
I have fond memories of the time I got to spend with Jack and the entire Kriegl family at Friends of the Forest. Jack's passion for biology and the wonder of nature inspired hundreds of children and young adults giving them a greater appreciation of the environment and the importance of protecting it.*

“ To the entire Kriegl Family, I am so sorry for your loss. I've thought of Mr. Kriegl often over the years. He's had such significant impact on so many of us. His smile, his words, his actions... I remember one story he told at the state championship pep rally. He talked about how special it was for FHS, like being 1 green M&M in a jar of 1,000. He always inspired me to try to be better... as simple as being the first to pick the gum wrapper off the floor or as important as how he really listened to and cared for all of his students. He was the 1 green M&M in the jar, and we're all better because of him. Mr. Kriegl, you are remembered often, Thank you!!

“ Jack was a great educator that really cared about his students and inspired them to do their best. He made advanced biology a lot of fun. Florence High School had a really great teacher in Mr Kriegl. I remember helping him and his dad on their beaver trapline one time and sledding down the hill at his house in Spread Eagle. He was a man that enjoyed life and willingly shared that with others. He will be missed.

“*Kriegl Family, especially Simone: These last four years we have known the Kriegl family has been some of the fondest memories in our life. From the beginning at Whispering Pines Campground, Michigan to wonderful summers at your home with our camper, working beside Jack out at the farm, going out to the traps, digging potatoes, picking and putting up corn, watching him mount game, camping, kayaking, sailing, southern cooking and entertaining, attending church and thoroughly enjoying your gracious hospitality we have come to relish the close family ties you have bestowed upon us. This has been a friendship of a lifetime that could only happen when two couples thoroughly enjoy the companionship that the other provides. Sometimes "Life" provides us memories that, even though short, will last a life time. I guess that Jack with his humor and vitality for living, would get a big kick out of us traveling North during the winter. How many times has he urged us to accept a Winter Vacation to enjoy snowmobiling, his famous luge and hospitality to be told that we prefer the warmer weather of Key West during the winter? How many times have I laughed and said "burrrr" just too cold? Last night it snowed eight inches of fresh snow even though it is the middle of April. Well, Jack I guess you had the last laugh. I know that Jack and his family are very devoted Christians and so with a celebration ending his life can look forward to being with Jesus Christ, our savior in Heaven. Jack will not be missed, but remembered for his understanding and love and friendship he extended to everyone. Simone and family, we want you to always know that our home is always open for such a great friends and close family members.*

“ So sorry for your loss and I'm so very sad for all of us, but I am so happy to have known him. Mr. Kriegl was a true inspiration for me in my high school years. He brought me out of my shell and gave me a passion for science and educating that I have used to shape my life. I stopped to visit him on occasion and even shared a few taxidermy tips. I have thought of him often over the years and shared a few stories with family and friends about him. I first met his wife "Mrs. Kriegl" when I was in preschool in an old style schoolhouse in Aurora and then again in first grade up in Florence. Maybe she remembers me. And I watched his kids grow up at Keyes Peak ski hill. I sincerely want to say to his family that Jack Kriegl was and always will be, one of the most wonderful human beings I have ever known.
