“ I would like to express my deepest and heartfelt sympathy to your family. My Mom, Marie, is a resident on "C" wing at Maryhill and we got to know John while he was there. I enjoyed watching him interact with the other residents when they were playing ball in the activity room, joking around with them, or just participating in the activity. John will be missed. Please know that you are in my thoughts and in my prayers. Take care and take things one day at a time. Marie DeMuri/Mary Beth Casanova
