“ I know this is several years after your passing but I hope everyone who reads this knows how much this man meant to his daughter Rachael. I sit with her every year and go have some drinks on this day. Sleep was a great person and passed entirely too early, he is deeply missed by friends and family. Sleep- know that Rachael's doing good and Alyssa is growing up almost too fast. We talk about you and let that little girl know how much Papa Sleep loved her.
