“ Josh, it's so hard to put into words what you meant to me. The world might have seen one person, but to me, you were my special person. I'll never forget the day we met and that instant connection we shared. I just knew you would be a special part of my life. I watched you face down challenges you didn't want to deal with, and once they were behind you, you were always happy to have one less thing on your mind.

We had so many happy, fun times together. The simple mornings sitting on the porch in the sunshine, the deep late-night talks after a long day at work, or the walks in the woods—they all made me so happy. You were finally becoming the person you were meant to be, and I was so proud to see your accomplishments at work and in your daily life. Our time together was a gift, though it ended far too soon. I'll miss your laughter and that dark sense of humor, and I'll hold every memory of you close to my heart.

To Josh's family - Words cannot express how sorry I am for your loss. Josh was a very special person, and he loved you all so much. I know how much you will miss him, but his kindness and loving spirit will live on in all of us. Thank you for welcoming me into your family. Please know that you are all in my thoughts during this unimaginably difficult time.
