“ *I am so sorry to hear of your mothers death. She is certainly with the Lord now & pain free. I met her when both of us were just starting Chemo. & we talked on the phone often. I am very Blessed to have known her if only for a short time. She was always in my prayers as all of you are now too.*

“ *Debbie and Dennis*
while I know we all expected it, I am so sorry to hear of her passing. I stopped by the hospital when I was in town two weeks ago. It was good to talk to her. I have such vivid memories of her sitting poolside, and frantically running in the house to answer the Avis phone while we swam in the pool. I remember the enormous bowls of macaroni and cheese she would make me for lunch (and she'd slip me a vitamin every time). She was a great role model, a strong woman who could certainly do it all when women just didn't! I will miss her. You are in my prayers.

“ *Debbie,*
I am sorry to read about your Mom. I remember your mom @ First Lutheran in the kitchen when my Grandma Sue passed away. Your Mom lived next to my Aunty Betty & she always had such nice things to say about her. I will keep you & your family in my prayers.
