“ We became great buddies and did everything together during the time we both worked at Pinecrest. We had way to much fun and I spent a lot of time going to her family home. Judy stood in my wedding and then somehow our lives went in different directions. I will forever cherish the time we had together. Will keep you all in my prayers as I still struggle with losing my husband to cancer two years ago. May all the fond memories you have help to ease your heavy hearts... Sincerely, Mary LeQuia

“ Terry and family: I am so very sorry to hear about Judy's passing. She was a great woman! My fondest memory of her was from high school. She and I snuck down to the bathroom at the old Felch High School, and she pierced my ears. Every time I put a pair of earrings in (almost daily), I think of her. We laughed so hard that we got away with it and didn't get in trouble.

*She will forever be in my thoughts. Rely on all your good memories, they will take you through this. Hugs to all.*
