“ *As I was reading the obituaries in the Daily News, I noticed that Ellen Cootware was your grandmother. Ellen lived with my grandmother for some time in the early 1970s after my grandpa died. I remember Ellen because she tried to teach me how to knit. I also remember her waiting for "Davie," as she referred to him, to pick her up. Please accept my sympathy on the loss of Judy. I just liost my Mom in May, too.*
