“ I lost my baby girl last May. She was 2 months old. It's such a horrible thing to have to go through and it's hard especially seeing other people you know who have babies around the same time. It seemed like the time I was pregnant (fall 2005 and winter 2006) everyone was having a baby. The sad thing is all of those people still have their babies and they don't understand what it feels like to lose your precious little one who you care about so much. You feel cheated when you lose that baby. At least that's how I felt. It was my purpose and it was torn away like nothing. I highly recommend anti-depressants if it's too hard to cope with.... hope you feel better,
Jamie

“ Dear Tom & Family
We are so very sorry for the loss of your precious granddaughter. We have lost our little girl (18 years ago this year). It's so hard, but as we know God calls us home when he thinks we are needed. It sure hurts those they leave behind. We hope as parents of a daughter in heaven that you find comfort, to know heaven is a wonderful place. It has to be, for our little ones to go there. As we share your loss, we pray for your comfort. She will always be with you! I promise, from one mom to another.
God Bless, Prayers are with you all....
