“ i never got the chance to write anything on here but Julie and I use to be Best Friends in 6th grade. We would go to football games and hangout alot. i remember playing basketball in the alley with Sam Buckland and also me and Julie made a cubby holder thing for papers and painted it a greyish blue. We would play school with her family when they came over. I had good times with julie and i miss her so so much!

Love you always and forever

“ My name is Andrea Militello...formerly Andrea Briggs. My mother is Debbie Becker whom is currently engaged to Scott Hughes (Julies Uncle). When I heard about what happened I was very shocked! I cant remember the last time I saw Julie, but I do remember how much I enjoyed her presence. When we went to Shirley and Dale's home, I remember the only thing I was looking forward to was seeing julie! We always had fun goofing around and she made things easier for my brothers and me! Even though I didn't get to see her as much as I would have liked, I really do miss her and she will always be remembered! She was such a wonderful person I'm sure of that!

“ Julie was a really pretty girl and that is a really sad thing to happen. I know the parents are going through a horrendous time, I lost my daughter in May and I felt like my world was meaningless and all my emotions I felt were horrible. I couldn't sleep and felt sick all the time. The feeling you get when you hear your own flesh and blood is gone is the most empty sickening feeling. Things like this should not happen, I only wish that people didn't have to endure such tragedy.

“ Julie was a great person and she was one of my friends. It has been a horrible loss losing a wonderful girl like her. Her family and her are in my prayers. The hallways just arnt the same without julies smile and laugh. I miss her greatly and think about her everyday. But she is in a better place now and god had a better plan for her than we did. She is looking over all of us and making sure we r ok. I love u always and forever julie and i miss you alot.

“ Lauri, Uncle Skip and Aunt Shirley- I am so very sorry for Julie's loss. My heart broke when dad called to tell me, he could barely get the words out. Although it has been several years since I have seen Julie, I always liked to hear Auntie talk about all she was doing. She is so beautiful.

Lynn and Eric, my thoughts and prayers are with you both as well.

*All our love, thoughts and prayers,
Randy and Debbe*

“ Julie was a friend of mine. I hadn't really had the chance I would have liked to hang out with her this year. I will miss her so very much and she will always be in my heart and never forgotten. She was such a great bubbly girl. She always had a smile on her face and I'm going to miss her beautiful blue eyes. Please now that all her family is in my prayers and I am deeply sorry for your loss. Julie will be missed greatly and I will miss seeing her at school. I will love her always and forever.
