

Julie Ann Tass

May 9, 1954 - November 18, 2017

Julie A. Tass, 63 of Iron Mountain, passed peacefully on Saturday, November 18th surrounded by her family after a courageous battle with ALS.

Julie was born in Stambaugh, Michigan on May 9, 1954 to Edward and Gerry (Beaudry) Kukuk. Julie was raised in this area and was a 1972 graduate of Iron Mountain High School. She continued her education at Central Michigan University and received her Bachelor of Science in education in 1976. She married Ron Tass on June 12, 1976 at St. Mary and St. Joseph Church in Iron Mountain. Together she and Ron raised three children. Julie was a stay at home mother and after the kids had grown, went back to work as an educational assistant and substitute teacher for the Iron Mountain School System. Julie was a member of St. Mary and St. Joseph Church. Over the years she has been active in many of the church activities. She enjoyed camping, going to camp, reading and being a spectator at all sporting events. She especially loved spending time with family and grandchildren.

Julie's purpose and passion in life was her family. She was a devoted daughter, wife, mother, grandmother, and friend. These roles were her mission in life. To know Julie was to love Julie. From the moment you met her, you were accepted and loved. She met her challenges with acceptance and grace, never with a complaint. She was the definition of appreciation for everything done by everyone. She leaves a wonderful footprint from her journey through

life and will be missed by all who knew her.

Julie was preceded in death by her father, Edward Kukuk.

“ I believe I knew Julie and played with her as a child. Her maiden name and her birthdate confirm I knew her. She lived up the street from me on 10th Street in Stambaugh, MI. In the summer we played dolls in her garage. My sister Hallie even played with her, too. Her mom and dad were so good to us. I offer my heartfelt condolences even her death happened over 4 years ago. I also remember that she got sick with rheumatic fever, too, and was quite ill. I lost touch with her in my teenage years.

“ This may be a little late in expressing my heartfelt sympathy, but I was out of town at the time of Julie's passing. She was one of the sweetest gals I was privileged to know, mainly because of knowing her wonderful parents, Ed and Gerry. My prayers have been and continue for Ron and your family and certainly too for Gerry. I had just visited a little with Gerry the week before at Freeman's. Not sure if she knew me when we sang there with Golden K but she did seem to sing along with a lot of our old songs.

My warm thoughts and prayers continue for all of Julie's family even as God has opened the door and welcomed Julie into her heavenly home. God be with you all.

Sincere sympathy,
Orice Walters

“ Although it has been many years, decades in fact, I remember Julie fondly. She was a happy, sweet, energetic woman who truly cared about people. She was friendly, spirited and always involved in school and community activities.

I was deeply saddened to learn of her passing, although I am certain that she was loved and her spirit will continue to shine through. Do not let her passing burden you through the rest of your life - Julie would not want that. Remember her, honor her, be thankful for the years together, memories shared, and life-long lessons learned.

“ The world is a less wonderful place without Julie here with us. She embodied everything that defines the most marvelous person. Kind and determined to a fault, but even more so my dear longtime friend Julie was the epitome of faith in God. My memories of dear Julie run deeply. Ron and family, I share in the sadness her absence leaves. Yet the example of how she lived life brings me enormous confidence and peace in the eternal peace she now has with our true Father. I will always hold good memories in my heart like sleepovers, campfires, and eating her mom's yummy homemade cookies with her. God be with all. May the eternal light continue to shine brightly on her.
