“ We have too many memories to share them all but each one is special and precious - from breakfast at my house on her way to school in the 50's until a phone call from her a couple weeks ago just to say HI! Many class reunions, funerals, and pictures from her grandson's recent wedding! We loved having Tim and her here for Fall Ride in 2013 and all our many other phone calls to keep up with each other's families. Will miss you so very very much, Kay. R.I.P.

I was shocked to hear from Mary Lou about Karen. I too have memories from High School and beyond when we used to golf together in the 60's. I recently sent a belated Christmas letter in response to one from her, so this was very sad news. Larry & I wish her family pleasant memories of Karen and God bless them all.

Missing my friend and the woman who taught me how to be a mother-in-law. Can't believe we won't have anymore phone chats or shopping together on your visits out east. Thinking of Tim and your children and grandsons today. Will always love you.

So wish we could have attended the funeral. I will always have fond memories of our time together. We had so much fun playing Canasta with your brother, Don, and many wonderful chats. Your beautiful smile and zest for life will be missed. We are so glad to have made it to the cabin with you and Tim! Love always, Char and John Dunlap
