“ Im Katie's sister and we found her three years ago... she was the sweetest person I have ever known. I will always remember how I drove 24 hours to say goodbye on her death bed and wasn't even allowed on the property. Say I never got to say goodbye. I love you sis, goodbye.

“ *Bryan and Family - I was in Chicago this past week so I was unable to make the funeral. My heart broke when I heard the news. Katie was such a unique person. She was such a fighter and always had a smile on her face - even during the hard times. I smile thinking of how just last November she joined the VA exercise group...what a trooper!!! I am happy to know that she is in a place where there is no pain and that she can spread her wings and truly feel whole again. Seeing Katie fight this horrible disease with such grace was a true testament of her faith and love for Christ. I am going to miss that smiley and loving face. For the family - I know how much you adored her - my prayers are with you during this very difficult time.*

“Katie was such a beautiful and bubbly young lady. I don't know of anyone that had as much spirit and will to conquer cancer like she did. She was truly one in a million. God must have needed an angel like her up there with him. You will forever be missed and i hope she can bring as much life and light to heaven as she did to people on earth. God Bless all of you!

“Katie was just a tiny little thing when we first got to know her in Germany, always smiling, happy and bubbly. she grew up and became one of the loveliest young ladies we have ever met, so sweet and kind. She had a sparkle in her eye when she smiled that was sweet as sugar.

We feel blessed to have known such a beautiful soul, she will be greatly missed. She may no longer be here on earth with us, but she will always remain in our hearts!

We Love you Bryan! You and the Carter family have our sincerest sympathies. Love Mikey, Lisa Jo, Hannah Jo, Ella Jo, Brad, Braden and Eva xoxo
