You are in my prayers. Know that your mom is at peace now and will always be with you. She loved you all so much. Whenever I saw her she was beaming with pride about one of you!

When Jonathan and I moved here your mom was one of the few ladies that was very kind and welcoming. I will remember her fondly.

With much love in my heart for you all,

“ *Kathy was a great friend to my daughter Krisy La fave. And we all got to know and love her to. Though we have not seen each other for years she has always been in our hearts. Because of the distance's and not living in the area anymore. But i wanted to say that she was a great person and wonderful mother who would do anything for her kid's. May she be in peace now and not have to suffer pain anymore. Another awesome angel upstairs. And my deepest condolences go out to her kid's may you find the strength to get threw this.*
