“ Sending thoughts and prayers to Bob and family. Kathleen was so special. She took care of my dad thru Arms of Angels. Then my mom. Kathleen became a true friend. Mom loved her as we all came to. Kathleen visited my mom in assisted living and was there for her many times. Going above and beyond for my mom. We are shocked and saddened by Kathleen's passing. Will forever hold her in our hearts. She is an angel now.

Kathy was my best friend since high school. She stood up in my wedding and was a Godmother to my son. She was warm hearted, smart, caring, and honest. She had way more character than I, and she was a special friendship I will always treasure. She will always be in my heart and memories.
