“ I am so sorry to hear of Kay's passing. My condolences and sympathies to all of the family. What I remember most of Kay was her constant encouragement. It was very important to me and for it I will always be a better person. Again, my sympathies to each of you. Kay was truly a special lady. Jason Julian

“ Thinking about all the nice times that I delivered flowers to MR & MRS Sleik. I couldn't think of two people that I enjoyed on my route more than both of them. I will always remember the good times ,the friendship, and the special memories that they shared with the Flower Man.
