“ *My sympathies on the passing of Kay. I worked at her physician's office and Kay was always a ray of sunshine, even when she was facing some troubling times. She always had a smile and her giggle. She truly lit up the room. We especially hit a special bond when I told her my mother used to work with her husband at Branz Mechanical. May she rest in peace. She will be missed.*

“ *So sorry for your loss. She was a great lady. I spent a lot of time growing up at her home and playing softball with her. RIP Kay*
