“ My heart goes out to Sandy Kay and Eddie Paul and all of Kay's grandchildren. I remember how much my mom liked Kay and enjoyed the yearly shopping trip to Iron Mountain. Kay will be in good company now with my mom and dad. I'm so sorry to hear of her passing and pray for her family to be strong and remember the good times they had with her. She will be greatly missed by so many. Linda

“ Remembering Kay has brought back so many memories. Good memories of two very good friends who grew up together, riding bikes to each others houses, and just being young innocent kids. Although we did not go to the same school, (because she lived in Florence county and I, in Forest county) we became friends through the Fence church where we attended. We did fun things with the "Young Peoples" group run through the church. Even did some double dating when we were older. We lost touch after she married and eventually moved away. My mom would tell me about Kay from time to time. I am sad that I didn't take more time to know her as an adult. Even though, I will miss her as I knew her then. She was a special friend. I know what a void death brings to your heart. I pray for all of you who will know this void. That God will bring you through and give you His peace.
With heartfelt sympathy to each of you grieving for Kay.

“ I will always remember Kay's pretty blue eyes and how they sparkled when she laughed. She always seemed happy to see us whenever we visited from Chicago. I know she is now in good company with both my parents Matt and Helen who loved her too.

My heart goes out to her family. She will truly be missed.

God must have lots going on up there that he needed Kay now. We are sure going to miss her spunk, zest for life and of course her laugh. She was an amazing woman and we are blessed to have had her in our lives. Very Sorry.
