Tribute Wall

LC

“ Please know that my heart and thoughts are with you today. Keith was a vital part of your lives and I know that there is a hole left in each of your hearts by his passing. In time, that hole will fill up and overflow with the good memories you all have of having the wonderful opportunity of having had Keith in your lives. Know too, that you WILL see him again. His grandchildren look pretty young and I know that you will pass down the essence of who their grandfather was as they get older; pictures and stories will help to keep his memory alive. And...always the love. Never, ever, forget the love he had for each of you and never, ever, let his grandchildren know how much he loved them. God bless.
