“ I am truly sorry for your loss! Keith and I were pretty good friends when we were kids. We have since lost touch. But I always smile when I think of the good times we had in youth. He was blessed to be mechanically inclined. I wish I knew half of what he knew and am sure his talents and his sense of humor will be missed by all. It was an honor to know him! May he rest in peace!

“ *Our Thoughts and Sincerest Condolences are with you all. We will all miss Keith very much.*

*Don't grieve for me, for now I'm free;
I'm following the path God laid for me.
I took His hand when I heard him call;
I turned my back and left it all.
I could not stay another day,
To laugh to love to work or play.
Tasks left undone must stay that way;
I found that place at the close of the day.
If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss;
Ah yes, these things, I too, will miss.
Be not burdened with times of sorrow;
I wish you the sunshine of tomorrow;
My life's been full I savored much;
Good friends, good times, a loved one's
Touch.
Perhaps my time seemed all to brief;
Don't lengthen it now with undue grief.
Lift up your heart and share with me;
God wanted me now He set me free.*

“ I was very sorry to hear of Keith's passing. I always enjoyed seeing him when I was up in Iron Mountain. Keith was very generous when it came to helping others out. Like many others, Keith worked on my car and replaced the brakes, but would never take any money.

Keith was one of the best anglers I had ever had the opportunity to know. The guy could catch a fish anywhere! I will never forget the time he caught that bass at the cottage from Norway Lake. It was the biggest bass I had ever seen. No fancy lures or poles, just a nightcrawler, standing on the pier. His fishing skills were nothing short of amazing, and he was always willing to share his knowledge with others. Most of what I know about fishing I learned from Keith.

Again, I am very sorry for your loss and I certainly will keep Annie, Arika, and Mark in my prayers.

Kind Regards,

William Oman

“ My deepest sympathy to your family. I have known Keith almost 20 years and will always have fond memories of him 'hangin' around our house with my brother John. He started by being a good, loyal friend to John and became a part of our family as well. I hope his memory will always stay alive through his children.

I will keep him, and your family in my prayers.

Sincerely yours-
