HIXTON, Wis. - Kelly J. Mauck, 42, of Hixton, died on Saturday, Jan. 26, 2008, from injuries sustained in an auto accident in Garfield Township in Jackson County, Wis.

Kelly was born on March 8, 1965, in Springfield, Ohio, to parents Cliff and Joanne (Archer) Mauck. She grew up in the Niagara, Wis., and graduated from Niagara High School.

Kelly graduated from the University of Wisconsin-Stevens Point in 1988 with a bachelor of science degree in elementary education and a minor in mathematics. “ Dear Cliff, JoAnn, Craig, Joyce and family, I can't say enough how sorry I am for all of you, you have all been in my prayers, and know that Kelly "Miss Mauck" is looking down on you now. I was there for her service here in BRF, and I've been in a haze all week long. My son Billy had her for class last year. She made the transition from elementary school to Middle School a very easy one for him and all the kids. When he found he had Miss Mauck he was so happy. As I mentioned in my card, he was a bit of a class clown, (and I'm guessing she might have been too), because she never dampened his spirits, and on several occasions joined him on his "performances". He was very proud the day he "Earned" a "tongue" from her. Or her sitting down to stare at him to get him to smile, just to see his dimples. As I "tried" to tell you at her Celebration of Life Ceremony, he wanted to be there, but at the last minute, with tears in his eyes, said he couldn't see her that way. He had talked to her on Friday, and wanted that to be his last memory of her. He also said you should remember him, because he gave her an electric toothbrush for Christmas last year, and she told him, she told you about this, and you were upset, since you got her the same thing, haha! I am also a Hygienist and cleaned her teeth on occasion, and enjoyed our visits at the office as well. Please know, that she will live on through these kids that she has touched, and helped to shape into adulthood. She has been a very important part of their lives! She will be missed. If there anything I can do, please don't hesitate to ask. Again, you are all in our hearts and prayers. Love Keith and Rhonda Cormican, and Billy Dykstra

“ Dear Cliff, Joanne, Craig and family,
Your loss is unimaginable. We pray you find some comfort and peace within this uncomprehensible tragedy. We periodically saw Kelly in LaCrosse and it was always a pleasure. Her Students loved her and are also mourning the loss of someone profoundly influential in their lives. I recently met a young boy in Kelly's 6th grade homeroom this year whose mother credits Kelly and her "after school program" with encouraging and educating him from C's and D's to all A's and B's. WOW!! What a gift to have touched so many children's lives in so many ways! Please know she lives on, not only in her family and friends, but in countless numbers of youth that will help shape our Nation's future.

“ I was saddened to hear the news of Kelly's tragic death. There is obviously no good time or way for someone whom you care about to die. However, I know that the great strength of family, friends, and faith will help you at this time of loss. As you grieve, may God through his perfect compassion grant you a measure of comfort and peace.

“ Dear Cliff, Joanne and Craig, I am at a loss for words. I just spoke with Kelly in November and had a great conversation. When I think of Kelly I think of someone who was always there whenever someone needed something. She would give the shirt off her back if you needed it. I have so many memories from high school and college with Kelly. She will make some lucky person a Great guardian angel.

“ Joanne, Cliff and Craig, I still remember your phone number, 251-3186. It seems like just yesterday that Kelly and I sat in your yard playing barbies, marched down the street in our little red skirts, or tried to learn the words to a top hit 70s song ("...Oh where, Oh where can my baby be, the lord took her away from me"...coincidentally, is a song that Kelly taught me. I think of her when ever I hear it on the radio. It will have more of a special meaning now. Although, I have not seen her often over our adult years, she was always considered a friend. She had a good-natured personality and was always ready for a good laugh. My prayers are with you all!

“ Dear Cliff, Joanne, and Craig,

Your family is an enduring part of my life and an extension of my own family. I can picture those big, beautiful eyes and sweeping lashes, and her presence of being. I smile as I picture her pulling a little girl's pigtails because I can so see her doing that with an underlying intention of playfulness and appreciation, and I cry as I realize her loss, most deeply to you but also to all who knew and will continue to love her. Kelly and your family are in my heart and prayers.
