“ I met Keri while I was a student nurse at Mary Bridge back in 2006. I would spend my time rocking Fluffy so she could step off the unit for awhile. We shared a common family friend (Susie). We grew close. I enjoyed watching her being such a amazing Mom to her girls. She was seriously an amazing human. Her laugh was infectious. She had the biggest heart of anyone I've ever met. I can still hear her voice in my head when she called me honey. She is going to be missed beyond measure. When I go visit Janice's grave, I'll make sure to say hello to Keri now too. My heart and prayers are with you David, Amelia and Laci. Love you forever Keri!

“ Keri....your smile, your laugh, your craziness all made you who you were. A loving wife, mother and bestest of the best friend. My memories are many, almost of of them filled with your laughter and craziness. Your compassion was there at Janice's funeral, knowing how much I didn't want to be there. Even through your grief you thought of me. I am SO blessed to have met you (thank you Emmy!!!) and to have been a part of your life here in WA. David and girls, my love and thoughts to you. Linda, know that I am thinking of you and how much you loved Keri. Emmy, I kind of know what you're going thru, but having never lost my best friend, my companion for years, my other half.....I'm at a loss for words but know that I love you all and will miss her beautiful smile. She was the best.....

Adam Gustafson. RIP Keri, My condolences to her husband, children & many friends. We didn't know each other when we both went to school and grew up on Negaunee, then my family moved away. I moved back myself around 1997 and Keri and I spent some time together. She was a fun, strong willed girl that made friends wherever she went. RIP

“ I only knew Keri briefly, but her warmth and smile were remarkable. She stood out! I ran into her in a local store just a few weeks ago and when she saw me her face lit up and she made a bee line for me with a big hug. She had been recovering from major surgery not too long before this, but wanted to know all about what was going on with me. That's the kind of person she was. Exuberant, interested in others, and full of life. Eventually the conversation turned and she was excited about the new place they were moving to. I am glad I was able to know her even a little bit, and look forward to seeing her again in Eternity. Lifting prayers for comfort to her family and friends.

Durl and I will forever miss Keri. She will remain in our thoughts, and as I smile and think of our talks, I will always feel the warmth of her smile. You will be that Angel we spoke of as she looks down over her girls and hubby, as she will be reunited with her little Angel Keri so sadly missed. May God Bless the Miles family, and Our Lord will always be with them, blessing each and every day. You are gone, but we too will someday be reunited again.
