“ Hello, my name is Darrell Merkel a retired MFD firefighter. When I came on the job in 1983, Kevin was my boss at E-30 on locust street. In those days things were a little more disciplined than now. That year E-30 was the busiest company in the city with over 4000 calls. Lt. Clark(at the time) kept me in the mix and allowed me grow and become a top notch firefighter. I thank him for everything I ended up retiring as a fire lieutenant in 2008. Thank you for sharing Kevin with the MFD. Darrell
