“ Hi Bob:

*Saw Kitty's obituary in the Journal the other day.  
We were very saddened to read of her passing.  
Please accept our sincerest condolences.*

*It was Kitty that inspired and encouraged me to  
take painting classes. And 21 years later, I'm still painting.*

*We moved away from 114th St. 10 years ago. We  
now live in Sussex. But our hearts are still  
on that very special street in Wauwatosa.*

*Take care.*

“ Dear Roberta and family,

*My parents, my sister Jean and Mike & I were so sad to hear about your mom's passing. I happened to see the notice in the paper today.*

*Please know you are in our hearts and prayers. I will miss hearing from your mom at Christmas time each year, updating me on Menger family news.*

*Your mom had a great, positive influence in my life through Girl Scouts and contact I had with the mother of one of my best friends!*

*Looks like you may have a new address, Roberta. If so, could you e-mail it to me...or even an e-mail address. I would hate to lose total contact. Even though I know you're not one to write, you have never been far from my heart.*

*Peg (Mathison) Arntz also sends her sympathies. We get together regularly.*

*Please pass on our sympathies to your dad, Dede and Carol and grandchildren. I'd give you each a hug if I could.*

*Please contact me at [mkandree@earthlink.net](mailto:mkandree@earthlink.net).*

*Love - Karen (Smeiska)& Mike Andree
