“ Hey grandpa, I miss you with all my heart. I remember all the great Memories that we had together. You were a great man and a great father and grandpa in my eyes. I love you so much can we all will reunite some day rest in peace and Gob be with you. I bet you love having blue by your side looking down on us. Watching us, guiding us, and protecting us. One thing that I didn't like is that I never really got to say good bye the right way. Your in my prayers every night. I love you Grandpa!!! The main words that I remember that you said to me was "hey Angel could you get me a drink" :) they run through my mind every time I think and miss you. REST IN PEACE
