“ *My dear Vicki and family,
O how many memories. Larry was always there to make you laugh
or get into a deep discussion. Always a passion for what he was
doing, but especially for his family and dog. I am so sorry you had to
watch so much suffering. We will miss him, but he is in the arms of
our Lord Jesus.*

“ Vicki,

Please accept my sincere condolences. I go back a long way with Larry as I do with you. We were friends and schoolmates at West Main. It might have been in the first or second grade, then on through high school. I was in the Boy Scouts with Larry too. He and his dad used to pick me and take me to the Scout meetings in his dad's new VW Bug. I think it was the first one in town. I have a lot of happy memories from our school days together. It is a painful time for you and your family, but know this; the Lord is in control and He loves you all. We will pray that He gives you peace and comfort in the days ahead.

“ I am very sorry for your loss and my prayers and thoughts go out to the entire family. Mr. Underhill was one of my favorite teachers at Bay. “ *I just want to offer my condolences to the Underhill Family on Larry's passing. Larry set me up with my first "weather" job at the Norway Current and I will forever be grateful that he took a young weather enthusiast like myself and allowed me to pursue my hobby. I've been doing this for over 12 years now on radio and television, but Larry gave me that first job opportunity and I will never forget it. He was a good man and will be missed. “ *The Underhill Family,*

Words cannot begin to express my sympathy for your loss. Larry was a friend, a mentor, and so much more. I had such a unique opportunity, having seen both Larry as a friend, a co-worker, and a teacher. It was because of him I went into teaching. I always remember his stories about life, and about working in Health and Beauty! He was such a wonderful, kind person, who will be greatly missed. The office just isn't the same without him around.

“ Norway has lost one of its finest residents. Larry was one of the nicest men in town, involved in so many positive things. I recall his clown costume and had the honor of marching with him in the Color guard in some local parades. He was always quick to smile and say something funny. I never saw any pettiness or meanness in him. Larry treated everyone with respect. He was a real gentleman in every sense. Our deepest sympathies to Vicki, Spence, and Kristin.

“ My thoughts and prayers to Mr. Underhills family. I was a student of his Business Communications class winter semester 2010. Anyone that takes a class at 8 am knows how much they hate to get up and go to class, but I can honestly say that I loved to get up and go to this class! Mr. Underhill made his classes enjoyable and fun! I will definitely miss his funny stories, his crazy faces and strange sound effects, but I will always cherish what he taught me and how he helped me as a person and prepare me for my post graduate life! The Lord has a true angel with him now and I hope that you can all take comfort in knowing that he is in peace. Take care of yourselves and remember how much Mr. Underhill touched so many other lives and hearts.

“ Mr. Underhill touched the hearts of many. I was one of the lucky ones to meet such a wonderful person. He was my Business Communications teacher at Bay, but before that I remember him being EVERYWHERE in the community in Norway from parade ceremonies, to teaching in the school district, to The Norway Current. I remember on our last day of Business Communications at Bay he had Hardee's deliver cinnamon raisin biscuits and orange juice to the classroom. After I graduated he gave me an excellent recommendation to my first "Post-graduate" job. I like to think he help me achieve where I am and where I am going today. His kind heart and goofy voices will be something I remember about him forever. Mrs. Underhill, you and your family are in my thoughts. I will never forget Mr. Underhill and the impact he had on my life.
