“ So loving, caring and giving. She never required big, expensive things or a lot of material things but was always content in life doing the things she enjoyed. She always gave and shared. She will be so sadly missed but never, never forgotten.

“ God created Mothers;
For He knew there had to be;
A very "Special Person";
Who could guide a family.
He gave them warmth and tenderness;
And lots of love to share;
He taught them how to listen;
And showed them how to care.
He sent them here to guide us;
From the moment of our birth;
God's "Very Best Creation";
Was my Mom here on earth.

I love you Mom!
