“ Dale was my cousin. We grew up together. He was as kind and generous as a child as he was his whole life. He is the most authentic person I know. The most loving spirit. He will be missed. My sympathy to all who loved him.

“ My thoughts and prayers are with you all. Dale is my cousin, his mom and my mom were sisters. We didn't get to grow up together because of distance but whenever we made it up to Iron Mountain, I'm pretty sure we would see each other at the Chandler fun family functions. He was a dear sweet man, a teddy bear type. I will always remember him that way. We saw him and Lorna having breakfast last July when I was visiting IM. I was with my sister, my brother-in-law and husband. We smiled, said hello, how are you, good to see you, then found a table and sat down. I wish now that I would have given him a hug. You never know when it will be the last time you see someone, at least on this earth. RIP Cousin Dale. I know that you will be missed.
