“ *My sincere and deepest sympathy to you all. I remember Aunt Lea and Uncle Wally visiting Painesville Ohio when I was about 17 years of age. I think that was the first time I remember meeting her; though perhaps we had met before but being a kid I sometimes didn't pay attention to big people stuff. My first impression of Aunt Lea was that she was a quiet, strong woman. That is the image I remember and the one I always have when thinking of her. May God bless you all and give you peace in your remembrance of her.*
