“*Joanne & I are sorry that we can't be there w / you today to celebrate the life of our Auntie Leona. We were there last wk. & went to see her twice w / our cousin, Betty Brocker but were unable to wake her. Her condition had deteriorated considerably since Dec. of 2001, when we visited her, after Judy's funeral. It was obvious that Auntie had lost all "quality of life" here on earth & that soon she would take the "Hand of God". Pls. know that Joanne & I care. Our thoughts & prayers are with Auntie Leona & "all of you" today.*

*w / Love,
Joe*
