“ So sorry to hear of Lee’s passing. She was such a sweet lady - her room was across the hall from my mom at Evergreen when my mom first moved in there. She was always checking in on my mom - “my friend” as she called my mom.

“ Lee was one of the sweetest women I knew as a child growing up - never heard her speak in anger and she always had a smile for everyone - as an adult I came back into contact with her and she was still the same sweet woman that I remembered. She shared a friendship with my dad that included my whole family. We will miss her and we send our sincere condolences to Larry, Debbie and your families during your sadness.

“ *Debbie, Larry and family. My deepest sympathies to you all with the passing of your mom. "Mrs. Milbow" was always so nice and sweet to all of us us rugrats running around the heights. She always remembered our names and always had a cheery hello. May the many wonderful memories of her help you and guide you during this difficult time. God Bless Mrs. Milbow. Rest in Peace.*
