Mike enjoyed fishing, hunting and his daily walks. He had a passion for reading and enjoyed books on the Civil War. He was very proud of his Irish Heritage and made trips to Beaver Island and Ireland to trace his family's

roots

.

Mike married Dorothy Beaudry on Aug. 5, 1943 in Marquette at St. John the Baptist Catholic Church. They moved to Iron Mountain from Marquette in 1950. Dorothy preceded him in death on April 30, 2002.

“ *Dear Kaye and Family:*

Despite the time and distances that tend to come between our growing up together and our individual paths in adult life, we all share a very special bond as children of some really outstanding parents who gave us the added gift of a very special Iron Mountain upbringing. Please find comfort in knowing your Dad will forever be a beacon to you all just as he was during his time on earth. Peace.

He was truly a gentleman, and I will always remember him at St. Mary and St. Joseph Church, with your mother - all those people at that time when we were growing up together. “ Dear Carol and Family,

Although many years since St Mary and Joseph's School, I remember well the friends and classmates I had...certainly you among them. So, with that thought, I'm very sorry to hear of your Dad's passing and hope that the memories will, in time, provide comfort.

“ Dear Kaye and family,
Please know that we are thinking of you each and every day and have you in our prayers. Your father was really quite a remarkable man ... he lived a beautiful life and most importantly, one with a great deal of integrity, love and value. Educated and a real self starter who reinforced this in his children - Going to college was quite unusual and then he continued on in another field and opened his own business - amazing Together, with your mom, he raised six children and ensured that you would all receive an education as well (another really remarkable path) He really valued family and his love and devotion to your mom was evident in the way he cared for her in her time of need. Clearly, this is why he was surrounded by family in his time and need - the involvement of every one of you really demonstrates the need to give back to such a caring and committed man. I know the loss is painful - the memories will always be grand-
an amazing life journey Love, Jan
