“ *My condolences to the family. I have soo many memories of Uncle Les and will share one.*  
*I remember when he was building the family house and my dad would be there helping him. I remember that on Friday nights he would stop working on the house early and play hide and seek with all of us. ( pretty hard to hide all the Pancheris and Walters in 2 yards ;-)*  
*I truly enjoyed being friends of the family as great morals were injected to us all. Again my condolences Dave, Glenn, and Leslie.*  
*We all have another Angel in heaven looking after us.*
