“ Even tho I haven't seen Linda in quite some time her memory will always be in my heart. Working in Kingsford, car pooling, hanging out, her place or mine, your (her) mom having supper ready for us after work, no matter, always a good time. She was truly what a good friend should be. There for you no matter what. I am so sorry for your loss. Her pain is gone now, and she is with the ones she held dear to her heart. Hugs Sandy & Charlie
