“ *My sincere sympathy and prayers to Linda's family. I best remember Linda as a member of the Raatz family and the Seelund family as both families attended First Lutheran Churches when I did. It was nice to see her working at The Caring House helping other women and families. God Bless her memory and all who loved her.*

“ *I was so sorry to hear about Linda. I remember her from years ago and recently had the pleasure of spending time with her again during her stay at Manor Care. My mother was in rehab there a couple years ago and Linda was her roommate. At the time my mother was confused and very scared and Linda helped her get adjusted and made her feel safe and comfortable. They had many laughs together and my family is very thankful for all she did for my mom even though she herself was going through a very hard time fighting cancer. I send my deepest sympathy and love to all of you at this very hard time. She will forever be remembered for her many acts of kindness and wonderful sense of humor.*
