“The Lord is close to the brokenhearted and saves those who are crushed in spirit.” Psalm 34:18 -

Dad I sure miss you and your dry sense of humor and laugh. I don't think I will ever forget the fun you had with the TV and the remote control at Carol's expense. Even the great grand children know that story. Love you and miss you!

“Another year has passed that you have been gone. Long ago I could call you on the phone and we would talk about all the new things in our life. How we wish that you were still here with us to make the trips you so wish you could have made. I knew that you did not want to stay here on earth but I have mixed emotions about you being gone. There is not one day that goes by that we don't think about you. Dad we miss you!

“ Dad, Father's Day was here and the heart ache of not being able to pick up the phone and talk to you was almost to much to bare. Now the 4th of July without you here to share a story or two. Thinking of you is easy - missing you is the heartache, that never goes away.

“ I love you Grandpa and will miss you greatly. I just wish I could have came up with mom and dad last summer so I could have seen you once more. But, I have my memories of the times I did get to come up and stay with you and Grandma.

And, I want Grandma to know we love her and are thinking of her always, as well as all of my aunts and uncles, etc.

LOVE YOU,
