“ *My sincerest condolences to Darwin, Linda, Dustin, Trevor, Katie and the rest of her family. I feel such a loss already as I'm sure you all do. Lola had a beautiful soul as the many who loved her knew. I only wish I would have got to know her sooner in life. But in the years since we've become friends I feel truly blessed to have had her in my life. There was no other like her and I will remember her fondly all the rest of my life. She had a bright smile and a quick wit which always made me laugh and smile. I will always cherish the precious memories of the times we spent together and all the fun we shared. May you all know in your hearts that she loved you, to the fullest, all the days of her life.*

Love, Maria
