

## Lora "Lori" E. Brash

July 29, 1961 - January 29, 2022

Lora "Lori" E. Brash, 60, of Florence, passed away late Saturday, January 29, 2022 at Aurora St. Luke's in Milwaukee.

Lori was born July 29, 1961 in Iron Mountain to Ralph and Lois (Mitchem) Brash. She was raised in the Iron Mountain/ Sagola area and graduated from North Dickinson High School in 1979.

After graduation, Lori ultimately relocated to the Milwaukee area for several years. She specialized in computer technology, data entry and billing for many of the local hospitals before retiring back to the Florence area in 2015.

Lori was an excellent cook, she loved to travel all over the United States; especially trips to Las Vegas with family and close friends; but traveling anywhere brought her great joy, she was a fervent animal lover; recently becoming a member of the Adopt-a-pet community of supporters. Lori's family was her first priority. She rejoiced over her grandson, Austin, and delighted in the time she spent with him most of all.

Left to cherish her memory are Lori's only son, Derik (Alex) Brash; beloved grandson, Austin; parents, Ralph and Lois Brash; brother, David Brash; nieces, Andrea Brash and her daughter Sammantha, and Amy (Scott) Lohfink and their children, Peyton, Reagan, and Easton; a special aunt, Dreama

Cherette; as well as many other relatives and friends too numerous to mention all by name.

A celebration of life will be held at a later date, and will be announced at that time.

Condolences may be expressed to the family of Lora "Lori" E. Brash online at [www.ernashfuneralhomes.com](http://www.ernashfuneralhomes.com)

The family has entrusted Erickson-Rochon & Nash Funeral Home with the arrangements.

“ *It is with heartfelt sadness that I discovered Lori has passed. I spend my winters in Florida. We kept in touch on FB. We met one evening at Potawatomi and clicked right away. I would go hang out with her at her home when she lived in New Berlin, WI and hook up at Poto when WE were bored. I have fond memories and will miss her smile and great sense of humor. My deepest sympathies go out to the family.*

“ *Dear Lois, Dave and other family,  
So sorry to hear of Lori passing away. She was always a pleasure to talk with when I'd get the chance while doing yard work at her home. She shared her grape/blackberry jam as well. So sorry for this difficult loss. She was too young to be taken. God bless, you are in our prayers.*

“ *Lori was a great friend! We met while working together at Aurora Healthcare. It was here we became friends in and out of work. I was elated when we worked together again at Froedtert. We worked hard together, we laughed a lot and did some crazy stuff in and out of work. I cried when she passed, but those tears won't get in the way of all the smiles she's left me with! The fact that she's no longer with causes me pain but she'll be in my heart forever until we meet again.*

“ We love you "Hamm"! You will be so very missed. You were our rock, the person we went to for everything. Life will be different now but know that I will do my best to keep your memory alive for Chi. It has been a honor being your daughter in law.

*I admired your big heart and spunky personality. You were the perfect mother in law for my sister, Alex. Your love and attention granted me and my family some peace with my sister being a distance away from us. May your family and friends find comfort and peace in their mourning. Find rest in the loving arms of our Father, Jesus Christ. Jess, Trisha, Logan and Cole Spata*
