“ Dorothy & family: You are in my thoughts and prayers. She was one of the nicest person's I have known and a very good neighbor when I lived one Perry St. Loretta and I had a lot of good times together. Especially all the times in our back yards and our kitchens helping one another with our canning. And I won't forget the coffee clutches and trout boils we had together. I will always remember when you kids would come to Algoma and we would join your mom and dad and visit with all of you. She was one fine woman whom I will always remember.

With much love.
