“ *When I was a junior in high school Shopko was my first job and I loved working with Lori. She was always so nice and helpful if I needed something. Years later after I left shopko she would always say anytime she seen me and my family. I was so sad to hear of her passing. My thoughts go out to her family.*

“ The best neighbor! I will miss Lori, beyond words. I will miss her beautiful, creativity and beautiful presence in the yard; always working, always smiling and proud of her home and her dogs and family. She was a vital part of the neighborhood, making it look great every day, every season and every holiday. I always enjoyed talking to her at Shopko or in our neighborhood. Such a hard working woman that brightened my day any time I saw her. I and my family express our extreme and deepest Sympathy to her family and all those that have been blessed to know this kind, smiling woman. I and my family will truly, truly miss Lori beyond words. Take Care. We are here for any of you, any time.

Lori and I had so many great years at Shopko that we became very close friends more like sisters. I remember around christmas time a very little Gracie was in the store and she heard a noise upstairs she looked at us and asked what was that I said that was santa at first she didn't believe me until she asked Lori if it was true and she told her yes he comes and watches for good or bad boys and girls. Gracie believe us for a few years after that. R.I.P. Lori I will miss you my sister!!
