“ Dear Annette and Eugene,
Gloria and I send our condolences on the passing of your mom--
I enjoyed caring for her as her physician and got to know her as a
friend when your parents employed my wife to help them sell their
home.

*While she had her hands full with dad and her own medical
problems, she was always up beat and had a smile on her face.*

*I hope all is well with you folks.
Is Eugene done with the military?*

*We have been very active with grandchild care,lots of fun but
exhausting at our time of life.*

Regards,

Bob and Gloria Santilli

“ I just wanted to send my thoughts and prayers to Barb and Annette and their families. I love the memories I have of spending time visiting Lorraine (and Al) at their home in Milwaukee. She always made us feel so welcome and special. My grandma, Alice, and Lorraine were so fun to watch together. Whether they were giggling and fussing around in the kitchen or visting and enjoying the view in the backyard, they were quite a pair. When I picture Lorraine all I see is her sweet smile and open arms always ready to share a warm hug. You are blessed to have such a beautiful mother and so lucky to have had so many years with her. God Bless!
