

Louis "Louie" Schroeder

May 27, 1984 - June 14, 2025

Louis "Louie" Carl Schroeder, 41, of Kingsford passed away at his home on June 14, 2025. His sudden passing left his family and many friends brokenhearted.

Louie was a lifelong resident of Dickinson County, and he graduated from Kingsford High School in 2003. He pursued many different endeavors throughout his life, having spent time welding, roofing, doing concrete work and painting houses, among many other jobs.

Louie had a lifelong love for the outdoors; he was always happiest outside. Since he was a young boy, Louie loved fishing, hunting, boating, swimming, skiing, and snowboarding, and he was never afraid to try something new.

Also since he was a young boy, Louie enjoyed riding dirt bikes, snowmobiles, 4-wheelers and mopeds, and he made a real hobby out of buying, selling, and maintaining them.

Louie never met a stranger. He loved talking with people about anything and was genuinely interested in what others had to say. He had a huge heart and will be greatly missed by many, especially his Merriman West buddies.

Louie is survived by his parents, Gary and Mary (Abel) Schroeder; his sister, Claire Schroeder; a special niece, Bianca Stanchina; his aunts, Sue (Abel) DallaValle and Ginna (Abel) and Joe Ferris; his uncle Greg Schroeder; and his cousins, Rob and Emily Ferris, Dave Ferris, and Gage Schroeder.

No services are planned at this time.

Condolences may be expressed to the family of Louis "Louie" Carl Schroeder online at www.ernashfuneralhomes.com.

The family has entrusted the Erickson-Rochon & Nash Funeral Home of Iron Mountain with the arrangements.

“ I was Louis and Claire's piano teacher when they were young. Louis had a great sense of humor, always smiling about something! I always enjoyed coming out to the house to teach them both. I am so very sorry for the loss of Louis. My love to the entire family.

“ Louis, my neighbor, was one of the Kindest, Honest, Loving, and Sincere persons I've ever known; his heart was Gold! I loved Louie, like a son and a brother! Like many in this cruel world, Louie's kindness and goodness were taken advantage of by many who professed to care about him! I know, after many long talks, these things hurt him hard and deeply and made him feel alone and lonely. Louie was a ray of sunshine on this earth! That will never be felt again! I am and will be missing him forever! He was a wonderful friend and neighbor! I wish the world could have known the love and goodness in his heart! There is now one less beautiful soul in this world! My heart is broken over this loss.....Rest in peace, my friend, and dear brother, I will miss you deeply, and am devastated to know that you are gone!

“ Louie always lit up any room/event he walked into & more often than not had everyone laughing within minutes. He just had that gift. His sense of humor was one of a kind. I'm pretty sure most of us that hung with him during our high school yrs all have a nickname or 2 he gave us. 😭 Along with many memories & stories we will also cherish. He was loved and will be missed by so many. Rest Easy Louie.

“ Louie's smile and way were infectious and easy. He had that continual look in eye like 'what's next' and he will be forever missed. My most fond memories of Louie are from Pine Mountain, I've looked back on those times so often and smiled, lately more often and I'm still smiling. Working there and sharing time with that group of kids was pretty darn special. Rest well Louie peace and love Lisa xo

“ I only met Louie 4 years ago, but he became a very good friend of mine. He was a very kind hearted person, and truly cared about people. I lived 3 hours away from him, and every time I left to drive back home, he told me to call and let him know I made it. If I forgot to call, he'd call or text me to make sure I was home and safe. I will miss him a lot. RIP, Louie.

“ I am so sorry to hear about Louie. The Alessandrini Family sends their condolences. Louie was Merriman West, he was always so enjoyable when he would visit the house, I will always remember him helping my 2 boys build a tree fort, it had 3 levels and it was the most unsafe build I have ever seen, I believe some of it still hangs from the trees. I would run into him when I was in town and we would pick up the conversation from the last time we spoke. He will be missed by all and he was Loved by all.

“ My kids loved when Louie would babysit them because he always thought of something fun to do. He was a friendly, sociable young man who always stopped to say hello and chat when I ran into him. His family and friends have my very deepest sympathies. He will be a.
