“ Aunt Louise has departed from this earth but will never truly be gone for she is still alive in our hearts and minds and through all of us she lives on. Please accept our condolences, she will not be forgotten. I will always remember the glorious summer trips to the UP and the visits we had with Louise and Family.

“ To a most wonderful, loving, happy and always laughing aunt. You always had a smile, a laugh, a joke about the Bears, and a little dig about those Packers. You are beloved and will be missed always.

Your loving nephew, Kevin Shea

“ Louise was an absolute joy to be around! Years ago she suggested I listen to a fairly new singer on the scene by the name of Josh Groban. Good call Louise. He remains a favorite of mine too. My sincere condolences to her family.
