“ Cindy so sorry to hear of your mom's passing. I married Ken LeGrave so we are related thru marriage but I have known your mom since I was about 4 years old and I am now almost 68. She worked at Kresge's with my mom and I have such wonderful memories of that. I use to wait for my mom to get done working many of times with your mom and she would keep me hid behind the candy counter with her until my mom was done working. At that time candy was sold by the pound and scoop out what a customer wanted so you mom would tell me all the time to pick a candy! As a little child that meant so much and I never forgot her. It just seems like yesterday we saw your mom at Kmart shopping but carrying I believe the portable oxygen. Now she is with your dad and in peace. Bless her.
