“ Chad, I am so sorry to hear of your mom passing. My heart breaks for you and your family. While working with you, you told many wonderful stories of your parents. They sounded like such wonderful people! Now they are together again. I still have the quilt she made for Emmy and will forever cherish that quilt. Please know that you and your family are in my prayers and if you need anything, please let me know. I am only a phone call, text, or railroad tracks away.

“ I was so saddened and shocked to read of Lucy's death...I worked with her at the VA and after that we would often meet while shopping at Walmart or ShopKo and 'catch up' on what was happenings in our lives. Lucy was a wonderful person to work with and have as a friend although we did not often run into each other. But what a fun time sharing events and happenings in our lives. She was so proud of her children and grandchildren!

I had planned to be at the funeral home later today but so far have been 'snowed in' and not yet plowed out! Please accept my sincere condolences and know that you are all in my thoughts and prayers.
