“ To my cousins Sig, Dave, Rita, Hope. And all of there spouses, Grandchildren and stepchildren. No matter how much we know that a loved one is in a better place along with all of her loved ones who previously went to Heaven before her. It's so hard to lose a Mother/Grandmother. I pray for all of you that you have peace with her passing. Aunty Deeny was a beautiful person and a wonderful Aunty. I will treasure all of the memories that I have growing up of her and her family. I loved her very much and I will miss her. I also love you all very much. Anita/Peta.

“ Dear Hopie and family,

Just wanted to extend my sympaties. I have so many, many fond memories of playing at your house and your mom having lunch ready for us. She was a fun lady to be around. I remember your house had the really, really "colorful" bathroom and your mom had it and the whole house always decorated so nice. She took pride in her home and her family and always took good care of me when I was there too.

I will treasure the memories of her. Gods blessings to you all at this difficult time. May your memories keep you in her warm embrace until you join her again.

Love you all!

Mary

“ I know how very difficult this time (and the weeks ahead) are for all of you. Please be assured that I will be saying prayers for all of your family. I am quite sure that Aunt Deeny is now very happy to be seeing all those who have gone to live with Jesus before her. She is a sweetheart. The last time I saw her was at Colleen's wedding and she recognized me and reached her arms out to hug me. I am so very glad I saw her at that time. My very deepest sympathies to everyone. Love, Cheryl

“ Dear Cousins,
So sorry to hear about Aunt Deeny's passing. You all will be in my prayers during this time of mourning. I'm am presently at my winter residence in Florida, so will be unable to attend services for your Mom, but I know there will be plenty of family and friends attending. Again, my prayers are with you.
God Bless,
Cousin Paul

“ Deeny will be missed.
I have many fond memories of visiting Deeny and the family with Sig, Sharon, and the girls.
I will always think of Deeny and Roy Leonard whenever I hear any mention of Groveland Mine Road.
