“ *My thoughts and prayers are with your family at this time. I will never forget the times we spent at Aunt Lydia's home when I was a child. Learning how to make cheese and the wonderful meals she would make us. They are wonderful memories that I will cherish forever.*

“ *Our deepest sympathy in the loss of your Grandmother. Aunt Lydia was my Great Aunt. I am the Granddaughter of Nina Rhyner and the daughter of Rose Schurman Gibbs. I well remember visiting the cheese factory and helping Uncle Joe wrap the cheese after dinner. The cheese curds that Aunt Lydia shared with us were fabulous -- I've not tasted such wonderful cheese curds since they left the factory. Our prayers are with you at this time of need.*

“ *Dear Steven, Sister Maria Volp and Families,
You have our deepest sympathy in the loss of Mrs.
Lydia Schurman. She was a dear friend to our family, Freda Husi,
Shirley and Richard. She was always kind to us and would do
anything to help us that she could. We had a great friendship and
we are going to miss her.*

*Our first meeting with the Schurman family was when we moved to
Rock City, Ill. when they were on the cheese factory, there Evelyn
was my school pal and remained my friend for life.*

*Joe as everyone called him was a Father figure to my brother and
me. Richard worked a couple of summers at the Spring Green
Cheese Factory.*

We trust the Lord will comfort you in your loss.
