“ Diane and family your Dad will be sadly missed. He was one of the kindest, softest spoken, and patient men I have ever met. He always had a smile on his face. He had a way of making you feel comfortable. Of all the Dads we had the pleasure of meeting and "driving crazy" he was special. My love to you all....Buzzie

“ Every time I look at the Milky Way over Stella Lake, I will see the twinkle of Lyle's eyes in those stars. In the day the Eagle flies over us, and that is my dad, and now they are together and their legacy is all over that island - the trees and the lake and the shore. There they will always be, as they formed it, like a work of art. Thanks Lyle.

Dear Jarvis Family,

May you feel love and peace and comfort with all your very rich and happy family memories.

Love,

Nadine

“ Lyle was a father figure that taught us so much; not through lectures or strict discipling, but through living, loving and laughing. Lyle had a gift he so generously shared. I have always been in awe by the way Lyle brought humor to all situations with everyone he knew and cared about. And he cared about everyone he knew.

He will be missed. My deepest sympathy to each of you. I wish we could be there with you at this time. Please know that we are with you in thoughts and prayers. May you find comfort in the many wonderful memories.

Although I will miss his greetings, stories and quips by the campfire and dinner table, his laughter will echo in the waves and in the wind every time we visit Stoner and Stella Lake. He will forever be a part.

God Bless Lyle Jarvis
