“ *I am sorry to hear of your loss. Marc was one of my roommates at NMU in the 1960s. I also worked with his dad (Dick) at the A & P grocery store. We hung out some while I was still in Iron Mountain. I've been in Green Bay for the past 39 years.*

“ *My heart goes out to you at the loss of your beloved Marc. I don't get to see you often but when I do its always pleasant and memorable. Through the last few years we have gone through some tough times of loss but I am sure this one no one can come close to knowing how you feel. Just know that people do care and are here for you if you need someone. I am still in Escanaba and think of you often. I hope to see you soon and will always have you and your family in my heart and prayers.*
