“ *My deepest sympathy to Marcey's family. Wish I could have been
there in person to relay this. Marcey was a special spirit and I will
miss talking to her. She was one of the first people in the Church to
be my friend. I'll be looking forward to the day when all of God's
children get together in a great big family reunion. To those who
read this message I pray that you too will be there in that family
reunion and we can again be with Marcey.*
