“ *The Trepanier Family, Words cannot express how much Marci is going to be missed. Marci was my Sunday school teacher as far back as I can remember. She was always so kind and soft spoken. I went to bible camp with Beverly, and we went to the same school growing up also. I remember all the picnics at the church and Marci was Always involved in everything. always looked forward to seeing her. She always had a hug for all the kids., and the way she told bible stories was always the best. I couldn't wait to hear another one from her. There was always something special about Marci. I've lost many friends at the first cov. church. and I haven't been in the Area for over 11 years so time has moved on so very fast. Having my own grandchildren of my own I see how important it is to tell the word of god to them. I am far away from my 3 oldest grandsons but my 4 year old granddaughter hears many stories a night being here with us. It is because of Marci that she has installed this in me when I was little that now that I am the age I am now I see how important it all is. She also loves hearing the stories, and I tell her never to forget what I tell her. Please know how much she was loved and how much the children loved hearing her teach the word of god.
